The screenshot shows a web browser window with the address bar set to `localhost:8888`. The page title is "YouTube playlist player". The main content area features a video player with a play button overlay. The video title is "Francesco De Gregori, per brevità chiamato arti...". The video player includes standard controls: play/pause, previous, next, volume, and a progress bar showing 00:00 / 13:04. The YouTube logo is visible in the bottom right corner of the player.

Below the video player, there is a list of four video items, each with a "play" and "remove" button:

- video 1
- video 2
- video 3
- video 4

At the bottom of the list, there is a text input field labeled "youtube link" and an "add and play" button.
